Below you will find two statements, one of which will apply to you in connection with your participation in the
2018 AOS/MOS Annual Meeting, May 17-19, 2018.

Please read the following statements and place a check in the box opposite the statement(s) which apply to you. If you **do not** have a financial interest or other relationship with a commercial company related directly or indirectly with the **2018 Alabama & Mississippi Orthopaedic Societies Annual Meeting**, place a check in the first box. If you do have any financial interest or relationship to disclose please check the box and include the name of the commercial company. Your disclosure will be listed in the Final Program/Course Syllabus.

The Academy does not view the existence of these interests or commitments as necessarily implying bias or decreasing the value of your participation in Academy activities.

I (or a member of my immediate family) **do not** have a financial interest or other relationship with a commercial company or institution.

If you have any financial interest or other relationships please be sure to check all that apply below and include the company name:

Academy policy provides that "off label" uses of a device or pharmaceutical may be described in the Academy's CME activities so long as the "off-label" status of the device or pharmaceutical is also specifically disclosed (i.e. that the FDA has not approved labeling the device for the described purpose). Any device or pharmaceutical is being used "off label" if the described use is not set forth on the product's approved label.
